Please note the following 2022 Pep Band Expectations:

1. This is a volunteer pep band. If you have signed up, it is expected that you are at each of the games listed above. The idea of a "sign up" pep band ONLY works if those that have signed up are here. Work is not a reason to miss a game, you are making a commitment by joining this group. If you are concerned about your work schedule conflicting, this may not be the best activity for you.
2. There are three required after school rehearsals scheduled. Please be sure these are also on your calendar. We will finish by 3:30pm.
3. Anyone with multiple unexcused absences will be dismissed from the pep band. It is important that you communicate any conflicts or attendance issues with the director as soon as possible.
4. Expect the following time commitments:
 - *5:15pm call times should finish around 7:45pm at the very
 - *6:15pm call times on Friday nights should finish around 8:45pm
5. The issued pep band shirt is the uniform. If you are in pep band, this shirt is yours to keep and is provided to you by the band at no cost. You must have your shirt for each game!
6. Finally, we are at the games to have fun and get into the game! We will stand when we play and take a different (more involved) approach to pep band this year!
